GUESSING IS FUN.

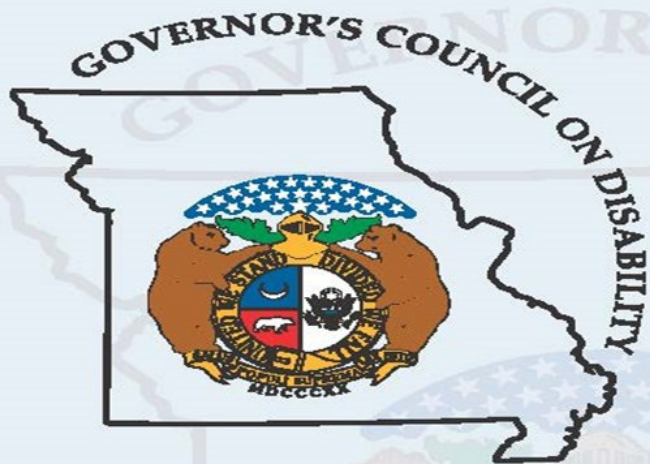

BUT NOT WHEN IT COMES TO YOUR MEDICATION.

STOP THE GUESSWORK

If you've ever missed a medication, you're not alone. We connect patients with their circle of care, help them to take meds as prescribed with easy-to-use digital health tools, then go beyond adherence to make sure those meds are doing what they should. Medication is lifesaving. Stop the guesswork.

SHOW-ME HOME

A Money Follows the Person Program
New Name, New Look, Same Great Services!

We are excited to announce that Missouri's Money Follows the Person Program is now called "Show-Me Home!" After reviewing feedback, we feel that this updated name to our program will help better represent what we do to help Missourians on their path to independence. Other changes to note as a result of this change include:

- Our website is updated and renamed, so please be sure to update any bookmarks you might have saved. The new web address is <https://www.dss.mo.gov/showmehome>.
- We have a new and improved [logo](#) that represents our new name, Show-Me Home
- We now have a new, simplified email address, which is showmehome@dss.mo.gov. Please update your records accordingly.
- We **will not** be updating any of our phone numbers,
